Expanded Hours Now Offered at Mill Neck Audiology

The Mill Neck Family of Organizations is pleased to announce that Mill Neck Audiology has expanded its hours of operation. New weekly hours are Monday through Friday from 9 am to 4 pm. As of April, 2015, evening appointments one day a week and Saturday hours will be implemented (further details will be announced). Mill Neck Audiology offers complete audiological services for infants, children and adults. The state-of-the-art facility, known as the Mildred and Frank Feinberg Community Center for Hearing Health:

- has separate adult and pediatric testing areas
- dispenses hearing aids and assistive listening devices
- provides amplification adjustments
- accepts most major insurances
- offers free hearing screenings on Fridays
- has a Cochlear Implant satellite center for MAPping in partnership with New York Eye & Ear Infirmary (NYEEI), providing a convenient location for children and adults with implants who reside in the Long Island area.

Part of the Mill Neck Family of Organizations, founded in 1947 by Lutheran Friends of the Deaf, the Mildred and Frank Feinberg Community Center for Hearing Health at Mill Neck Audiology features separate, state-of-the-art adult and pediatric testing areas, an assistive listening display and an observation room with a parent viewing area. The Center also dispenses hearing aids, distributes assistive listening devices and provides amplification adjustments. For additional information and to schedule appointments, call Mill Neck Audiology at 516-628-4258. *Please note:* To make appointments for cochlear implant MAPping at Mill Neck, please call NYEEI's Ear Institute at 646-438-7802.
