## **Mill Neck Manor Students Raise Funds for Lutheran World Relief – Anti Malaria Campaign**

Mill Neck Manor students in Living Environment class recently studied the Protist Kingdom (single celled organisms) which includes parasites such as the kind that cause malaria. To raise funds for the Lutheran World Relief – Anti Malaria Campaign, students put together a “baked goods and used books” sale, hoping to help eradicate malaria in affected countries. Their efforts raised just over \$150.00! Thank you to all staff who donated baked goods and to everyone who supported us by purchasing books and yummy treats!

Founded in 1947 by Lutheran Friends of the Deaf, Mill Neck Manor School for the Deaf opened in 1951. It is part of the Mill Neck Family of Organizations, a not-for-profit group dedicated to enhancing the quality of life for people who are Deaf, or who have other special needs, through excellence in individually designed educational, vocational or spiritual programs and services. For more information, please call 516-922-4100 / 800-264-0662 or visit [www.millneck.org](http://www.millneck.org).
