Discover Your New “Cup of Tea!”
Mill Neck Manor House to Host Tea “Cocktail” Party

Evening of sipping samples of tea infused cocktails. Seasonal/holiday. Music. The first, a Tea and Honey Pairing is scheduled for Thursday, September 12, from 7 – 9 pm, where a certified tea specialist from the Clipper Ship Tea Company will demonstrate some artful pairings of 5 of their custom-blended teas with a selected honey for each. On October 17, Clipper Ship will be back for a Tea and Chocolate Pairing from 7 – 9 pm. On this evening, 5 specialty teas will be paired with a selection of tea-infused confections, like chocolate truffles and bonbons. Following each event, guests will leave with a sample of tea and coupons to Clipper Ship’s retail shop in Northport.

The Clipper Ship Tea Company, in business since 2010, specializes in the entire experience of tea, carrying premium-grade loose tea in over 160 varieties, plus a wide assortment of teaware. Specialty and local honey, as well as 28 types of artisan tea-infused chocolates are also available at their charming shop.

Join us! You may just discover your new “cup of tea” at these informative and enjoyable events! The cost for each pairing event is \$30 per person, with the proceeds benefitting the preservation efforts of Mill Neck Manor House. Reservations are required and may be done online at www.millneckmanorhouse.org or by calling 516-628-4243. Sign language interpreters will be available for guests who are Deaf, provided a request is made in advance.
