

# HEARING TECHNOLOGY WEEK

*In Honor of Better Speech and Hearing Month*

## JOIN THE CENTER FOR HEARING HEALTH FOR BRUNCH & LEARN

Learn more about the newest technology available on the market. You now have the opportunity to become a knowledgeable hearing aid user and even sample new technology!

We are offering two sessions during the week of May 8, 2017.  
You can attend one or both, BUT you must reserve a seat, as space is limited.
